

Healthy lives. Measurable results.

HATUA YETU

Q.1 March 2023

INTRODUCING PS KENYA'S NEW CEO

On behalf of the Population Services (PS) Kenya Board of Directors, I wish to inform you that Dr. Margaret Njenga is the new CEO of PS Kenya, effective April 1st, 2023, following the transition of Ms. Joyce Wanderi-Maina.

Dr. Margaret Njenga is a strategic and visionary leader with experience in leadership roles in the private, public, non-governmental, and faith-based sectors of the healthcare industry. She is a medical doctor and public health leader with 15 years experience leading health programs in HIV/AIDS, TB, Reproductive, Maternal, New-born, Child & Adolescent Health, Malaria and Health Systems Strengthening.

She has vast experience leading healthcare development programs funded by multiple development partners and private organizations, including the Global Fund, CDC, USAID, UNICEF, DANIDA, the European Union, BMGF, FCDO, and Australian AID. She is tech-savvy and has expertise in partnership creation and management, donor management, and strategic planning.

Dr. Margaret holds a Bachelor of Medicine and Surgery degree, a Master's in Public Health, a professional certificate in management and leadership, and certification in executive leadership and management. Dr. Margaret Njenga was working as the Chief Operating Officer of PS Kenya.

Please join me in welcoming Dr. Margaret to her new role.

Yours Sincerely,

Anne Ng'ethe,
PS Kenya Board Chairperson
